

Green Hope Students and Parents

PLEASE PAY CLOSE
ATTENTION

For your safety, never attempt to cross railroad tracks or adjacent property, including but not limited to that which fronts our school.

To protect private property and to keep people safe, North Carolina law makes it illegal to enter railroad property at any location other than via authorized crosswalks (NCGS 14-280.1). Violation of this law is a misdemeanor that can result in fines, court costs and / or physical arrest.

As we've seen first hand, attempted violations can result in significant personal injury.

Thank you for doing your part to keep Green Hope safe.

Please refer any questions to Officer Brian Smith (380-3696), Sgt. Kevin Tingen (460-4917) or Capt. Dave Wulff (469-4017). Visit www.townofcary.org for more safety information.
