**IMPORTANT:**

- Please refer to the Wake County Program Planning Guide for specific course descriptions. If the student does not meet eligibility requirements for the chosen course, then the student will not be scheduled in that course and alternate courses will be scheduled instead. Please note some classes require the student to leave campus.
- Acceptance into the course does not guarantee spaces will be available for all approved students. It also does not guarantee that it will fit into the student's schedule.

\* I have read the above statement and I understand the eligibility requirements based on the course description.
